ABSTRACT

This document provides information on the State Literacy Resource Centers established by the National Literacy Act. The information provided for each state in a chart format includes type of action being taken under the grant, operator and location, allocation (in dollars), and contact person with address and telephone number. The 50 states are arranged in alphabetical order. The District of Columbia and Puerto Rico are also included. The information indicates that seven states are establishing a new resource center: Alabama, Florida, New York, Ohio, Oklahoma, Texas, and Puerto Rico. The following states are reported to be expanding an existing center: Arizona, Arkansas, California, Colorado, Delaware, District of Columbia, Georgia, Hawaii, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Maryland, Michigan, Mississippi, Missouri, Montana, Nebraska, Nevada, New Jersey, New Mexico, North Carolina, North Dakota, Oregon, Pennsylvania, South Carolina, Tennessee, Utah, Virginia, West Virginia, Wisconsin, and Wyoming. Alaska, Idaho, and Washington are participating in one regional center; Connecticut, New Hampshire, Massachusetts, Maine, Rhode Island, and Vermont in another; and Minnesota and South Dakota in a third.
